3 time with respect to a commercial motor vehicle or has reason to believe that the
4 person is violating or has violated s. 346.63 (7) or a local ordinance in conformity
5 therewith, the officer, prior to an arrest, may request the person to provide a sample
6 of his or her breath for a preliminary breath screening test using a device approved
7 by the department for this purpose. The result of this preliminary breath screening
8 test may be used by the law enforcement officer for the purpose of deciding whether
9 or not the person shall be arrested for a violation of s. 346.63 (1), (2m), (5) or (7) or
10 346.657 or a local ordinance in conformity therewith, or s. 346.63 (2) or (6), 940.09
11 (1) or 940.25 and whether or not to require or request chemical tests as authorized

14 if the arrest is challenged, or to prove that a chemical test was properly required or
15 requested of a person under s. 343.305 (3). Following the screening test, additional
16 tests may be required or requested of the driver under s. 343.305 (3). The general

22 (2) or (6) or 940.25, or s. 940.09 where the offense involved the use of a vehicle, a law
23 enforcement officer may request the person to provide one or more samples of his or

4 343.305 (3) (b) A person who is unconscious or otherwise not capable of

23 participate in community service work that benefits children or that demonstrates
24 the adverse effects on children of substance abuse or of operating a vehicle while
